### About Us

As the name implies, the GMRBC is a recumbent bike club located in Milwaukee, WI. Recumbent cyclists tend to be a social group and we are no exception. Our rides are also very casual and sometimes even include a food stop on the way.

Membership is free but donations are always welcome to help pay for our annual recumbent rally and other expenses. Members are encouraged to sign up on the mailing list but anyone is welcome to show up regardless.

We have monthly rides from April through October in the counties surrounding Milwaukee. Over the last couple of years, the group's average speed for the rides has been 10-11MPH and we make it a point to never leave anyone behind.
